

Gunn High School Theatre Department Proudly Presents

Shakespeare's *The Winter's Tale*

March 6, 7, 8, 12, 13, 14, 15, 2008

Spangenberg Theatre,
780 Arastradero Rd., Palo Alto

This lesser known, late Shakespearean romance is a startling and beautiful reminder that in spite of one's wrongs, redemption, reconciliation and mercy are still possible. *The Winter's Tale* is about the healing power of time and love. Our production, set sometime in 13th century China, takes place in a transformed Spangenberg theatre, with the audience sitting on the stage itself, looking out into an enormous, evocative acting area. This celebration of gorgeous costumes, music, dance and poetry will delight the senses and fill the imagination. Though there are undeniably tragic themes in this story, you will emerge convinced of the power of forgiveness and of following your heart.... Don't miss this touching *Winter's Tale*!
